RESULT	0		RESULT	4	

(Men off white tees.

Using men's card +1 shot for difference in SSS.

90% of difference from lowest h/cap.)

Match report:

Another gorgeous day at The Worcestershire GC and as ever the warmest of welcomes greeted the ladies team to this lovely venue.

A solid steady performance by all the girls could not withstand the putting prowess of the men on this occasion. Local knowledge of the greens seemed to be the main decisive factor, with chaps sinking long putts from all angles to get a significant edge to give our ladies a drubbing.

Anna's pairing reported no problems holding their own tee to green but then the gents took charge.

Lucy, playing with young Constance who was making her 1st team debut, faced Mark and Phil who scored 5 under gross for the holes played.

This is not only a popular fixture in the ladies calendar but a valuable one for bringing on newer players and for sharpening up some regular squad players ahead of County Week and it underlined how these matches are won or lost around the greens.

The match was enjoyed by all – not least for the convivial company and tasty feast of the usual spicy prawns with Thai dips, lovely wraps, sausages and curly fries etc.

Thanks to all the ladies who played. Rest assured there will be a very stiff renegotiation for shots next year, but meanwhile **very well played to the gentlemen of The Worcestershire GC and our thanks.**
